Brattleboro, April 7.—Herbert N. Green,
a former real estate agent in Brattleboro,
was arrested in Guilford last night on
complaint of Mr. and Mrs. H. M. Sey-
mour of Randolph, who alleged that he
swindled them out of money in selling
property in Melrose, Mass., through false
representation. Green expected to ar-
range to furnish bail of \$4,000, but the
sheriff of Orange county started prosecu-

WERE ROASTEDShocking Fatality at
Washington, D. C.

THREE MEN WERE KILLED

Roof of Building Was Raised by Ex-
plosion of Gas and Sides
Collapsed.

Washington, April 8.—The explosion of
a gas tank in the building of the Dintch
Gas Compressing company, in the Penn-
sylvania yards, early this morning, caused
the death of three men and probably the
fatal injury to a fourth. The roof was
blown from the building, and two walls
collapsed. The victims were struck by
flying bricks and were so badly burned by
the flash of flames that followed that their
bodies were roasted.

JURY COULD NOT AGREE

Second Burlington Trial of Liqueur Failed
to Convict.

Burlington, April 8.—The case of the Li-
cense Commissioners of Burlington vs.
Thomas Lynch, an appeal from the revo-
cation of the latter's third class liquor li-
cense, went to the jury yesterday forenoon.
The arguments for the commissioners were
opened and closed by State's Attorney
Leary. The argument for Mr. Lynch
were made by his counsel J. E. Cushman
and V. A. Bullard.

The evidence in the case on the part of
the commissioners showed that William
Munbleau and William Benoit, two min-
ors, went into the Lynch saloon and
bought beer, both boys testifying to that
fact. The evidence for Mr. Lynch showed
that the boys did not buy any beer in the
saloon but that they went in and were re-
fused.

The jury reported twice that it could
not agree, and on the second occasion was
discharged.

THEIR FIRST GAME.

Vermont University Boys Play Harvard
Tomorrow.

Burlington, April 8.—The first game
of the Vermont University boys' basketball
season will be played Saturday afternoon at
3 o'clock with Harvard at Soldier's Field,
Cambridge. The Vermont team has been
rounding into shape lately, and it is ex-
pected that they will give Harvard a good
rub. It will also be Harvard's first ap-
pearance on the diamond this year in a
regular game, a fact which increases Ver-
mont's chance of winning as the outdoor
practice of both teams has been practically
the same.

ple courts in the afternoon. Action
against Clark was brought by his second
wife, who runs a boarding house in Bos-
ton. Clark says he obtained a divorce at
Sioux Falls, but telegrams from the coun-
ty clerk and a law firm there say none was

MENTALLY DERANGED.

Clad in Night Robe, Hat and Slippers
She Left Sister's Home Early
Today.

Boston, April 8.—Miss Edith Coburn,
aged 40 years, while temporarily insane,
left the home of her sister, Mrs. Hastings,
at Weston, early this morning, clad only
in her night robe, hat and slippers, and
wandered to the railroad track where her
dead body was found later. It is supposed
that she threw herself in front of a pass-
ing train.

ENDED HIS TROUBLES.

Grant Templeton of Northfield Ended His
Troubles.

Northfield, April 8.—Grant Templeton
died yesterday as the result of taking mor-
phine some time the day before. He was
discovered by a young girl by the name of
Kent, who did housework for Mr. Temple-
ton. She gave the alarm and Dr. J. H.
Jenkins responded. The usual methods
were taken in poisoning cases, and the pa-
tient appeared to grow better Wednesday
night. But he failed yesterday forenoon
rapidly.

The case is quite sad. His wife who
works at the Union House in Montpelier,
left him some time ago because she did
not like her home, and went to Montpelier.
It is said that she had promised to
go back to live with him if he would make
her a better home. This Templeton did
to the best of his ability. Tuesday he
went to Montpelier to tell his wife what
he had done and try to get her to come
back. She refused, and Templeton came
back to Northfield despondent and dis-
couraged. For that reason he is supposed
to have decided to end his troubles.

It is understood that he left a note tell-
ing his wife why he had done so. His
wife arrived here Wednesday night. A
50 grain morphine tablet was found in one
of his pockets, and it is thought that he
swallowed the whole dose.

The deceased was 34 years old. He is
survived by a widow and two small chil-
dren, a mother and two sisters, one of
whom resides in California and the other
in the southern part of the state. Mrs.
Lewis H. Pollard and Mrs. W. H. Pollard
of Montpelier are half-sisters.

MAY EXCLUDE RUTLAND
FROM THE LEAGUE

Meeting Being Held at St. Albans
This Afternoon to Arrange
Schedule.

St. Albans, April 8.—Representatives
from the teams in the Northern Base Ball
league met here today at 11 o'clock, to
complete a schedule of games for the sea-
son. Up to last evening every team in
the league except Plattsburgh was rep-
resented by one or more men.

Manager M. K. Parrell of the Platts-
burgh team wired asking for a postpone-
ment, but it was impossible to grant his
request because the others had arrived,
and he was so notified.

The Rutland club also has three rep-
resentatives here and it is expected that
they will make an effort to be taken into
the league. From all that could be learn-
ed last evening, Rutland will not be al-
lowed to come in, as she did not partici-
pate in the formation of the league.

MAN ARRESTED,
HORSE FOUNDJohn Lewis, the Alleged
Thief, in Custody.

FOUND AT PLYMOUTH, N.H.

Horse Was Located at Levi Hirred's
in Orange Through the Daily
Times.

Lennie Bros. received word over the tele-
phone last evening from Plymouth, N.
H., that the man who disappeared with
their team last Sunday had been arrested
there yesterday afternoon by a Plymouth
officer. When arrested he said his name
was John Lewis and that he was the man
that hired the team of Lennie Bros. sta-
ble last Sunday. He further told the offi-
cers that he had left the team at a farm
house in Orange with a man whose first
name was Levi but he couldn't think of
his last name.

On receiving the news of the arrest Len-
nie Bros. communicated with Sheriff
Evans at Montpelier who sent Deputy
Sheriff George Lackey to Plymouth this
morning to bring back the man. Mr.
Lennie had only just got through talking
with the Plymouth officer when a man in
Orange called him up by telephone and
said that he saw by a story in the Daily
Times last evening that he (Mr. Lennie)
had lost a horse and wagon.

Mr. Hirred replied that he had and that
he had just received word that the man
who took the horse had been arrested in
Plymouth, N. H. The man then said that
his name was Levi Hirred and that a fel-
low with a team answering the description
given in The Times last evening drove up
to his place, which is situated on the road
between Orange Center and West Top-
sham about 8 o'clock Sunday night.
